## DEDICATION

The class of 1986 proudly dedicates this yearbook to Mr. Joseph Teta, teacher and coach at Rutland High School. Mr. Teta began his teaching career at Rutland in 1956. In the spring of 1957, he began coaching varsity baseball. He started his football coaching career in 1959. Mr. Teta coached varsity football at Middlebury Union High School for two years and then returned to Rutland in 1962. He has been coaching at Rutland ever since. Mr. Teta has retired his position as football coach and will give up baseball after the 1986 spring season. He will remain at Rutland High School as an English instructor. Coach Teta has used athletic fields as an addition to his classroom to continue the education of student-athletes. He is concerned with the individual players as well as with the team as a whole.

## THE GOOD OLD DAYS

CAN YOU  
BELIEVE IT

# PRESIDENT'S MESSAGE

Fellow Seniors:

In future years, when we sit back and think of our high school days, fond memories of friends and experiences will fill our minds. Rutland High School, while not always perfect, has given all of us the chance to learn, mature, and grow intellectually and emotionally. We have become a close class, excelling academically, athletically, and socially. We are deserving of the reputation of a well rounded, serious group that takes responsibility. As members of the Class of 1986, we should be proud of our accomplishments and always remember them.

Best of luck to everyone,

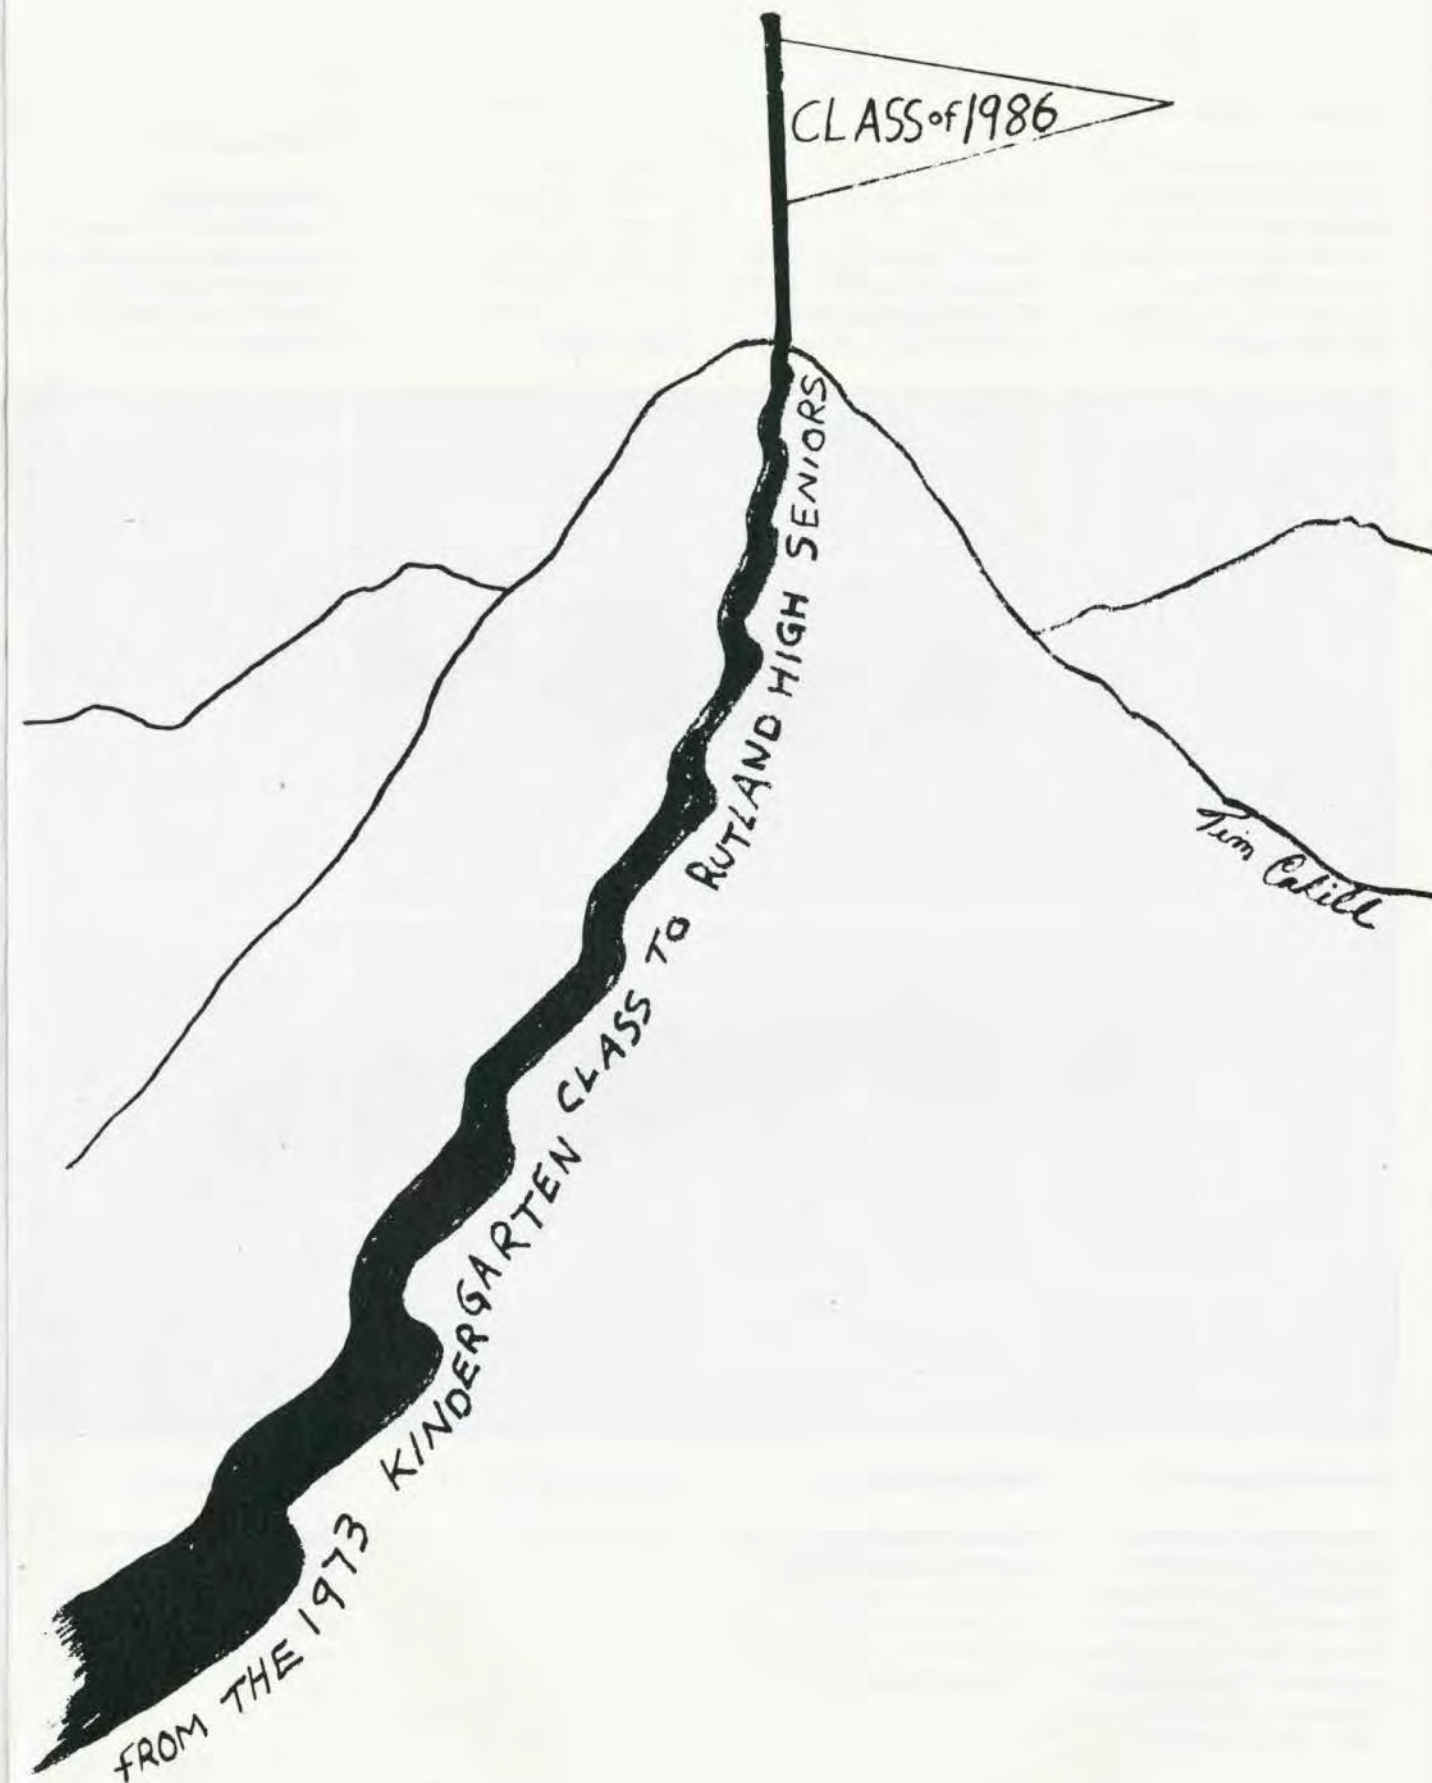

Robert Hill, President
